North South Physical Therapy Proud of Their Success, thanks Employees, Patients, Suppliers and Friends for Their Support.

Ln a proud statement issued from the Boston office, Douglas Square Physical Therapy, North South Physical Therapy announced that 2009 is the 10th Anniversary of the founding of their business. - The company was started back in 1999. Our goal was to give patients the same quality physical therapy care in a clinic closer to their neighborhood, as opposed to a hospital physical therapy department that was further away. As our popularity grew with doctors, patients and community liaisons, we expanded, opening physical therapy clinics in Roslindale, Brockton, and sister offices,

Broadway Physical Therapy, in Revere, and Woburn Physical Therapy located in Woburn.
